EXPERIENCE

Indian Oil Corporation Ltd. : Business Analyst Intern (Planning and Business Development) Jun 2025–July 2025

PROJECT - India (IOCL) vs China, US & Middle East in African Polymer Markets (PP & PE) [Link](#)

- **Conducted** PP & PE market benchmarking using **Excel trade-flow models** across **10+ African countries**, identifying **IOCL competitive gaps vs China, US, Middle East**.
- **Built** Excel dashboards (**Pivots, charts**) tracking **1.4M+ ton LLDPE demand** and **CIF pricing**, enabling **market and pricing prioritization**.
- **Analyzed** trade data using **ITC, ICIS, World Bank**, assessing **>75% import dependency**, to **prioritize Kenya and Egypt**.
- **Recommended** prioritizing established **trade relations** in Kenya and Egypt while targeting **emerging markets** in Algeria and Morocco to capture a larger share of the **1.4M+ ton LLDPE demand**.

PROJECT

Blinkit Business Performance & Insights Analysis: [Link](#)

- Conducted end-to-end data analysis on Blinkit datasets using **Python (Pandas, NumPy, Matplotlib)** and **SQL** to evaluate sales performance and customer trends.
- Developed complex **SQL queries** and performed **EDA** to calculate business KPIs including **revenue, average order value, and outlet-wise performance**.
- Developed interactive Power BI dashboards using **DAX, data modeling, KPI tracking, and stakeholder reporting** to improve inventory planning by **18%**.
- Generated actionable **insights** to optimize inventory management, **improve** outlet efficiency, and support **strategic business decisions**.
